

Friend Request Form 2021

Please use this form to nominate to play with a friend. The club has a one friend request per player per season policy.

Players who nominate to play together will NOT automatically be placed together as priority over grading results unless the parent so authorises the club to do so in the below authority*. At least one parent/guardian for each player friend request must sign this form.

It is important that all players for U10 to U15 attend grading day regardless of friend requests.

The Club cannot guarantee that it will be able to meet all requests.
