## 1. Age Group and Team Policy

Rouse Hill RAMS Netball Club believes teams should be based on player's ability, skill level, attitude and commitment. We have developed these policies to ensure player allocation is administered fairly and consistently and in a manner that is equal to all members, as well as provide for players ongoing development with other players of similar ability.

### NetSetGo Skills Training Program (5-6 years)

NetSetGo Skills based training is for 5 and 6 years. It is a 10-week structured program developed by Netball NSW. Minimum age is 5 years and all players train together as a team.

### NetSetGo Netball (7,8 & 9 years) Modified Rules

Players may be placed in teams with their friends where possible within their age group (in accordance with 15. Grading Policy). No grading of this age group will occur unless players play in a higher age group. However, at times it may be necessary to grade all or some 9 years teams depending on numbers and requirements of BHSNA.

### Juniors (10 – 17 Years) Full Rules

Players will be placed in teams based upon skills, ability and positions nominated at registration. This is to ensure that players are playing with a team at a level appropriate to their skill level. Player requests considered in accordance with 15. Grading Policy.

### Seniors (U21's – Opens/Masters)

Upon registration, players will nominate a team of players to be placed with, along with a suggestion of an appropriate grade to be put forward to BHSNA. The team will supply an umpire of the same level for each week of the competition season. In the event of a single registration, the player will nominate a position/s and advise of previous grades played to enable placement with a suitable team. Players will be placed into teams based on ability, age or numbers.

Teams will be announced via the club at a time set down by the committee.

## 2. Anti-discrimination Policy

Rouse Hill RAMS Netball Club is committed to providing a sporting environment where those involved in activities supported by the club are treated with dignity and respect and without harassment or discrimination of any sort. Rouse Hill RAMS Netball Club will follow the Netball NSW Member Protection Policy (click [here](#)).

## 3. Borrowing Policy

Rouse Hill RAMS Netball Club encourages all coaches to make their players available for borrowing into higher graded teams. As a community club we value teamwork and see the entire club as part of our team.

It is the clubs requirement that the coach makes every effort to source their borrowed player from a team that is 'next in line' in accordance with BHSNA borrowing matrix e.g 14A team need to borrow a player and should first seek to borrow from 14B1, 14B2, 14C1 14C2, 14D1, 14D2 and then if none are available, proceed to source a player from 13A, 13B1, 13B2, 13B2 and so on.

It is the responsibility of every coach to know and understand the borrowing policy set down by BHSNA.

Before requesting to borrow a player, the borrowing coach is responsible for ensuring the intended borrow is compliant with the BHSNA age and grade **BORROWING PROCEDURE & COMPETITION POLICY**.

All borrowing requests are required to be lodged with the Rouse Hills Rams Netball Club Registrar via email [registrar@ramsnetball.com.au](mailto:registrar@ramsnetball.com.au) by:

- 12:00 pm Thursday the day before Friday night competition games or;
- 12:00 pm Friday the day before Saturday competition games.

In the event a coach needs to borrow a player at short notice, i.e. on game day, then they are required to complete a 'time critical' borrow form and email to the registrar as soon as possible with an explanation of the cause for the time critical borrow. A copy of the time critical borrow form will be supplied a part of the Coaches Manual

A Procedure for notify of a borrow is available in the Coaches Manuals

#### 4. **Forfeits Policy**

All junior teams will be allocated an umpire each week by the Umpire Convenor.

### **Seniors**

All Senior teams will be allocated an umpire each week by the Umpire Convenor. However there may be circumstances where teams could be asked to fulfil the requirements to supply an umpire of the same level every week.

### **Buddies**

A 'buddy' is a person who has been nominated to help train and assist the junior umpires throughout the year. Allocation of buddies is at the discretion of the Umpires Coordinator. Buddies must hold a National C accreditation or above.

Rouse Hill RAMS Netball Club Umpire Convenor follow the guidelines set out in the [BHSNA Convener's Guide](#). We acknowledge and value the guidance and assistance offered to our umpires by the BHSNA umpiring committee.

### **Payment**

Each year the Committee will review the payment structure of our umpires.

- a) Any Umpire that umpires a game that is not their own child's team will be paid.
- b) Any Junior Umpire that has achieved the following:
  - I. Red Award – No Payment
  - II. White Award – No Payment
  - III. Blue Award – No Payment
  - IV. Buddy - Payment
  - V. Green Award - Payment

### **Umpiring for other clubs**

There is often occasions where RAMS umpires are approached by other clubs to umpire for them. Whilst we do not want to discourage this, your first responsibility as a RAMS Umpire must always be to our Club. If you are approached by another Club for umpiring duties, you must contact the Umpires Convenor who will confirm that you are not required for RAMS duties on that day or time-slot.

## **26. Uniform Policy**

Rouse Hill RAMS Netball Club will ensure the correct uniform be available for purchase at the player's expense. Valour Apparel is our current supplier and all uniforms are to be purchase online maintained by Valour. Members will have the opportunity to have their apparel delivered directly to a home address or the Club will organise a time at training to pick up their orders.

The complete club uniform must be worn when playing fixture games. Non-compliance of club uniform will result in a member not being able to enter the playing court.

In addition, full briefs either navy or black, are to be worn under the club's dress. Short bike shorts may be worn as long as they cannot be seen protruding from under the dress. No long sleeve apparel may be worn under the playing dress except Friday night games and the 1<sup>st</sup> allocated timeslot on Saturdays where black leggings and white long sleeve shirt can be worn under the Club dress.

Rouse Hill RAMS netball socks are to be worn. Appropriate footwear must always be worn . Under no circumstances will the club allow slip on shoes that do not offer players correct support whilst playing netball.

Each player from U7 – U17's receives a Rams training shirt as part of their registration. The training top is to be worn to and from training and games over the dress.

If umpires have been gifted a Rams Umpires top by the club then it is expected that all Umpires are to wear the RAMS umpiring top when umpiring Club allocated matches.

Other apparel items such as club jacket, caps etc. are not compulsory. These items will be made available, when appropriate and may need to be ordered, to all club members as an optional extra at the expense of the player.
